Scotland's leading provider of complementary therapies training

DIPLOMA IN MANIPULATIVE THERAPY

Thank you for your interest in our two-week Diploma in Manipulative Therapy course. You require a Diploma in Advanced Remedial & Sports Massage to be able to apply for this course – if you are unsure of your qualification, please get in touch.

This course is designed to continue on from Advanced Remedial Massage course leading the student through examination of cervical, thoracic, lumbar spine and pelvis; formulating a differential diagnosis, with particular emphasis on assessment procedures and specific techniques for each joint.

Manipulative Therapy works mainly on the mechanics of the body. The student will learn that correction of structural imbalances can have far-reaching effects on many conditions.

The Manipulative Therapy course is a two week course, held Monday to Friday, 9am-5pm each day.

The course will be held in Edinburgh, (venue to be confirmed) on **5th – 9th Sept and 12th – 16th Sept 2016.**

The cost of the course is made up by a non-refundable registration fee is £400 and tuition fees of £1,200, if paid a month before the start of the course (to gain a slight discount) or in four (4) instalments of £325, by banker's order. All fees must be paid by 1st Sept 2016.

Robbie Goodrum is insured by Balens Insurance to teach this course, however each therapist must upgrade their own insurance policy to reflect their student status in Manipulative Therapy. Please send a copy of your updated policy to the Principal of Scottish Massage Schools.

On successful completion of the course, Robbie will awarded you with a Diploma in Manipulative Therapy and you will be able to use the letters D.Manip. after your name. This will entitle you to practise as a Manipulative Therapist and procure insurance for the new techniques you have learned.

If you would like more information about the Diploma in Manipulative Therapy course, then please don't hesitate to contact us. We look forward to receiving your application form.

Yours sincerely

Lorna Forrester
Principal
